ANCILLARY WITHDRAWAL SERVICES NOW AVAILABLE IN OUR HICKSVILLE LOCATION

We provide outpatient detoxification services for opiates, alcohol and benzodiazepines. You will be assessed and treated by a Board Certified Psychiatrist. We offer Medication Assisted Treatment including Suboxone and Vivitrol inductions, ongoing individual and group treatment and access to other services such as family education and support groups.

**For confidential inquiries and appointments
Contact Martine Ritter at (516) 822-6111 ext. 1209**
