Dear Friends,

On Monday, July 22, 2024, we will be hosting our 24th annual Golf Outing at Stonebridge Golf Links & Country Club in Smithtown. The proceeds from this event will benefit CN Guidance & Counseling Services, a 501(c)(3) nonprofit providing mental health and substance use treatment for over 50 years.

CN Guidance is one of the region's leading nonprofit behavioral health service providers, offering clinical treatment, counseling, housing opportunities, and various support services to individuals and families who face mental health and substance use disorders. The agency has served residents in both counties of Long Island since its inception in 1972. These are very difficult times for our Long Island neighbors - from young adults to parents to Veterans and seniors - who are suffering through unprecedented mental health and substance use crises. CN Guidance believes in the ability of *every* person to recover from these conditions. You can truly make a difference!

Attached please find our Golf Outing Sponsorship Opportunities, Sponsorship Commitment Form and Golf Outing information. You can also find this information online at [our event page at cnguidance.org](https://www.cnguidance.org)

If you have any questions, please contact Carin Theobald 516-396-2725 or ctheobald@centralnassau.org.

Thank you in advance for your generosity and support. **Hope Starts Here.**

Best,
