

Dear Friend:

Did you know that one in five individuals on Long Island struggle with mental health or substance use issues?

CN Guidance & Counseling Services is one of the region's leading nonprofit behavioral health service providers, offering clinical treatment, counseling, housing opportunities, and various support services to individuals and families who face mental health and substance use disorders. The agency has served residents in both counties of Long Island for over 50 years. There is currently a surge of people suffering from anxiety, depression, isolation and substance use difficulties seeking services at unprecedented rates.

On Monday July 22, 2024, CN Guidance will be hosting its 24th annual Golf Outing. Our fundraising events enable us to sustain services and ensure that people in our community have access to treatment.

For this event to be a success, we need businesses like yours to donate items we can use for raffle prizes and auctions. Merchandise, gift cards, and event tickets are always popular prize items. We will list all contributors on takeaway materials and on signage displayed throughout our event. This is a great way for your organization to advertise and be philanthropic at the same time.

Your anticipated charitable contribution is greatly appreciated, and we thank you in advance for your support and generosity. Should you need any additional information, please feel free to contact Carin Theobald at ctheobald@centralnassau.org.

Thank you for your consideration and belief in our mission. **Hope Starts Here.**

Best,
