With Dual Mental Health and Substance Use Crises on Long Island, CN Guidance & Counseling Services Holds Event to Raise Awareness and Critical Funds for Treatment Services

(Smithtown, NY) The CN Guidance *Annual Golf Outing* charity event, held Monday July 22nd at Stonebridge Golf Links & Country Club, saw leaders from Long Island area businesses, civic organizations, behavioral health providers, and public officials gather and honor achievements in Mental Health and Substance Use treatment and prevention; and donate vital funds to support its mission.

Arnold Drucker, Deputy Minority Leader of the Nassau County Legislature, and Liz Burke, Assistant Professor at Hofstra University and News 12 LI Reporter, were recognized for their work in the community supporting CN Guidance’s behavioral health mission.

“We are so grateful to our generous supporters and honorees for their work in our community and for a very successful event that will help the 34,000 Long Islanders we impact each year,” said CN Guidance CEO, Jeffrey Friedman.

***About CN Guidance:** Serving children and adults with mental and emotional disorders since 1972, CN Guidance and Counseling Services delivers NY-State licensed mental health and substance use treatment services – especially to economically disadvantaged individuals and families, including many communities of color – working in partnership with county government and other community services. With deep, localized knowledge of Nassau County and Suffolk County communities, a mobile fleet, telehealth capabilities, and a NY State Integrated Outpatient Services license, CN Guidance maintains an exemplary track record of delivering outreach and high-quality behavioral healthcare to more than 30,000 individuals per year.
