During Mental Health Awareness Month, CN Guidance Receives National Recognition as a Leading Behavioral Health Provider

(Philadelphia, PA) In front of thousands of attendees at NatCon25, the largest behavioral health conference in the country, CN Guidance was recognized this afternoon for providing comprehensive and innovative mental health and substance use treatment to Long Islanders for over 50 years.

“We are so grateful to The National Council for this wonderful acknowledgement of our agency’s impact on our community,” said CN Guidance CEO, Jeffrey Friedman.

About CN Guidance: Serving children and adults with mental and emotional disorders since 1972, CN Guidance and Counseling Services delivers NY-State licensed mental health and substance use treatment services – especially to economically disadvantaged individuals and families, including many communities of color – working in partnership with county government and other community services. With deep, localized knowledge of Nassau County and Suffolk County communities, a mobile fleet, telehealth capabilities, and a NY State Integrated Outpatient Services license, CN Guidance maintains an exemplary track record of delivering outreach and high-quality behavioral healthcare to more than 30,000 individuals per year.
