

Christina Goerler

What defines a truly successful career? For Christina Goerler, the answer is found not only in professional accomplishments, but in the lasting impact one makes on others.

For more than 25 years, Christina has been a dynamic presence across Long Island—building trusted relationships in the workplace, delivering results for her clients, and actively engaging in the networking and nonprofit communities that help the region thrive. As an Account Executive at LDI Connect, she has spent over two decades helping organizations leverage innovative digital office technology solutions, all while raising a family and earning a reputation as one of the industry's most respected professionals.

Yet Christina's influence extends far beyond her career. She is widely recognized for her deep commitment to service, generously giving her time and talent to a wide range of charitable causes. Her guiding belief is both simple and powerful: we all share the same community—and anything that strengthens it benefits everyone.

For the past nine years, Christina has been a dedicated supporter of CN Guidance and Counseling Services. She is especially passionate about Basket of Hope, which she considers one of Long Island's premier philanthropic events. Through her involvement, she has helped raise critical funds to support CN Guidance's vital programs. She is a strong advocate for prioritizing mental health and recognizes the essential role these services play in improving lives across the community.

Christina's passion for helping others, combined with her unwavering commitment to giving back, makes her a truly inspiring and deserving honoree.
